RU YI TAN

b.1973 Malaysia

Award winning Malaysian artist, Ru Yi Tan, has straddled and lived the 'look east policy' for over 14 years, since moving from her native Malaysia to Japan. Working in numerous media, including collage, readymade sculpture installation, photography and film, she has embraced experimentation throughout a distinctive and explorative artistic career.

After completing study in painting in Malaysia, Tan worked as the creative director of a leading advertising firm in Singapore. She then pursued further study in Sculpture and Experimental Art, at Nagoya Zokei Graduate School of Art & Design, Japan. Her public art has been exhibited throughout Japan and abroad, including notably at *SENSUS – Luoghi per l'Arte Contemporanea*, Florence, Italy. She is published in the *Malaysian Eye* and is a winner of the NCC Shizuoka Award in 2015.

Her works are in numerous private collections and she will present her first solo exhibition in Malaysia, through Shalini Ganendra Fine Art.

"My work is focused on environment and human reactions; it is especially a critique of the fixed idea and of symbolic matters in social structure and flow of daily life."
